

Highfield Match Protocols for the Event Compliance Manager

Note: *The Home team must appoint an Event Compliance Manager for any challenge or other match against a visiting team.*

Tasks for the Event Compliance Manager

1. On the arrangement of the fixture;
 - a. outline to the Compliance Officer of the visiting club about Highfields' specific protocols, (direct him / her to check our website under Covid-19 protocols).
 - b. request that all visiting club members who are planning to attend are also directed to check our website

2. Assist the visiting team on arrival.
 - a. Direct the visiting team to their changing room / shower / toilet facilities / warm up area / sanitiser stations and location of room for physio to strap up and attend to players if required.
Note: Home and away physios must have different rooms with only one player and physio allowed at any one time in the room.

3. Get confirmation from the referee / linesmen that they have completed their Health Declarations.
 - a. Direct them to their warm up area and show them where to find their toilet facilities.
 - b. Have a team sheet available for the referee to copy.
